## EXPERIENCE

**2019-PRESENT**

**TEACHING ASSOCIATE**, SAN JOSE STATE UNIVERSITY (SJSU), SAN JOSE, CA

Develop curriculum and teach Introduction to Digital Media Art as part of the CADRE New Media Lab at SJSU. Curriculum includes Photoshop, Illustrator, web development, 3D modeling, and creative coding utilizing p5.js. This course dives into a variety of methods and theories to create conceptual New Media work.

**2018 – PRESENT**

**TECHNOLOGY INSTRUCTOR**, SINGULARITY UNIVERSITY, MOFFETT FIELD, CA

Help create and demonstrate new and emerging technologies within the Singularity lab. Troubleshooting technology demos to ensure that they are properly working and continuing ongoing maintenance on equipment.

**2018-219**

**TEACHING ASSISTANT**, SJSU, SAN JOSE, CA

Help Support an Augmented Reality and Special Topics in Web Development course. Engaged with students to help them develop new ideas and troubleshoot their projects. Help prepare computers and devices prior to class sessions.

**SUMMER 2019**

**INSTRUCTOR**, DIGITAL MEDIA ART ACADEMY, STANFORD

Instruct weeklong classes on topics of 3D modeling, 3D printing, and product design. Taught students how to develop prototypes using design thinking, CAD software, and 3D printing. Taught curriculum to help develop creative problem-solving skills and work collaboratively.

**2018 – 2019**

**ARVR MANAGEMENT INTERN**, SJSU

Create and develop custom ARVR experiences for SJSU. Build custom assets and scenes to create unique learning experiences that convey a meaningful and engaging experiences for students.
